REMARKS

Claims 1-12 are pending in this application. Claims 1 and 2 have been amended to correct informal typographical errors and remain herein for consideration. No new matter has been entered. Replacement drawing sheets and an Annotated drawing sheet are also submitted.

In the July 25, 2005 office action, the Examiner has rejected the drawings for being hand drawn sketches with hand written labels. Replacement drawings sheets have now been submitted as attachments to this Amendment.

Claim 1 has been objected to by the Examiner and this claim has now amended.

Claim 2 has been rejected under 35 U.S.C. § 112, second paragraph, as being indefinite for reciting the limitation "the housing." Claim 2 has now been amended to correct this typographical error.

Claims 1-5, 9 and 11 have been rejected under 35 U.S.C. § 102(b) as being anticipated by Shinichi (JP 10008775 A). Claim 1 has been amended to further distinguish the present invention over the prior art. Claims 2 through 12 depend from claim 1 and are also subsequently distinguished.

Applicants note that since, based on the above amendment, the independent claim 1 rejected under 35 U.S.C. § 103(a) has been amended and is distinguished from the prior art, and all of the dependent claims are patentable for at least the same reasons.

For the above reasons, Applicants request reconsideration of this application as amended.
